What we do

From a single sprinkler head to a full driveway tear-out and re-pour.

Lawn Care & Maintenance

Weekly mow, trim, blow, and edge. Seasonal cleanups included.

Sprinklers & Irrigation

New installs, broken valves, leaks, smart timers, drip conversion.

Landscape Design

Fresh sod, new plantings, mulch, and layout that actually drains.

Concrete & Driveways

Driveways, walkways, patios, and concrete flatwork done to code.

Pavers & Hardscape

Paver patios, borders, and walkways. Clean lines, no settling.

Fences

Wood fence repair and new builds. Straight lines, posts set in concrete.

Our story

Orozco Landscaping has served owners of residential and commercial properties in Sunnyvale and the surrounding Peninsula for the last decade. We are a family-run, locally owned shop — licensed, insured, and bonded — with a crew that treats every yard like it belongs to their own family. From a one-visit lawn clean-up to full irrigation and concrete projects, we listen first, quote honestly, and show up when we said we would. No job is too small.
